

NEW BISHOPS ARE NAMED BY THE HOLY SEE

Mgr. Urban J. Vehr Appointed Bishop of Denver
The Rev. Dr. Karl J. Alter New Ordinary of Toledo — Have Notable Careers.

Washington—Word recently received from the Holy See in Rome announced the appointment of two new bishops for Catholic Dioceses in the United States which have been vacant for several months.

The Rev. Dr. Karl J. Alter, Director of the National Catholic School of Social Service, Washington, D. C., has been named Bishop of the Diocese of Toledo, Ohio, left vacant by the resignation of the Rt. Rev. Samuel A. Strickland.

The Rt. Rev. Mgr. Urban J. Vehr, Director of Mount Saint Mary's Seminary of the West, Norwood, Cincinnati, has been named Bishop of the Diocese of Denver made vacant by the resignation of the Rt. Rev. J. Henry Heenan, which the Holy See accepted January of this year. At the time Bishop Heenan's resignation was accepted he was Administrator of the See and his successor was appointed and he took over the post.

Both Are Young Men

Both Bishops-designate are comparatively young in the priesthood, and both have already proved their worth and capability. Father Alter, 46 years old, while Monsignor Vehr, 40, is well known for their administrative and executive experience, and have done considerable work in the field of education.

Dr. Alter, despite his relatively young age, not only has done notable educational work, but has attained distinction in the several branches of social welfare. More recently he has taken an important part in Catholic radio broadcasting.

He is a native of Toledo. He was educated in St. John's College, Toledo, and in the Cleveland Diocesan Seminary. Following his ordination to the priesthood, in 1910, he was named administrator of St. Mary's parish, Leipsville, O. From 1911 to 1914, he was vicar at St. John's Church, Lima, Pa., the pastor of which was the Rt. Rev. Augustus John Schwertner, now Bishop of Wichita.

In his capacity as Diocesan Director of Charities, an office to which he was appointed in 1914, Dr. Alter had immediate charge of the entire Child Welfare Program of the Diocese of Toledo. He also became chairman of the Committee on the Study of Catholic Child-Caring Homes of the National Conference of Catholic Charities. He was spiritual director and organizer of the Toledo Diocesan Council of Women, and Instructor in Sociology Teacher's College and Mary Mansue.

Priest Gives Life To Save Children

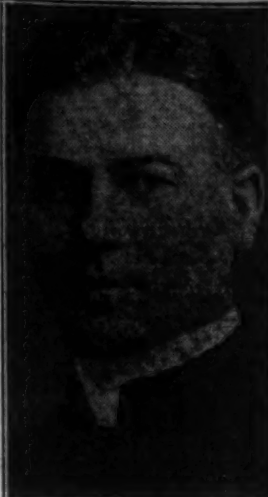

Paris.—A young priest, Abbe Cases, professor at the Petit Seminary of Amboise, met his death while trying to protect some children from danger that menaced them.

On Spring vacation at the convent the Annecy-sur-Rhône, he discovered some broken high tension wires on the ground. Fearing for the children, he procured shears and had cut all the wires but one when a metallic rod bent down from the ceiling, establishing a contact. The priest was electrocuted instantly.

Request Colleges To Observe Rerum Novarum Jubilee

Washington.—The Department of Social Action, National Catholic Welfare Conference, is making a special appeal to the Catholic colleges and universities and to the Newman Clubs throughout the United States to join in the observance this year of the fortieth anniversary of Pope Leo XIII's Encyclical, Rerum Novarum.

The appeal urges that fitting observances be held sometime during the month of May, but it is preferred that the exercises take place during the week of May 10 to 17, when groups of pilgrims from more than forty countries, including the United States, will be gathered in Rome to give public manifestation of their belief in the principles laid down in this classic of the Church. May 15 is the fortieth anniversary of the Encyclical on the Condition of Labor.

CONVERT PRELATE URGES PATRIARCH TO END SCHISM

Archbishop Ivanios Addresses Plea to Jacobite Leader, Imploring Him and His Followers to Return to the Catholic Faith.

Tiruvella, India.—The Most Rev. Mar Ivanios, Archbishop of Bethany, whose conversion to Catholicism on September 20, last, has been followed by the renunciation of the Jacobite church by large numbers of his former flock who have followed him into the Catholic Faith has just addressed a letter to His Beatitude, Maran Mar Ignatius Elias, Jacobite Patriarch of Antioch, imploring him to bring to an end the Jacobite schism by making his submission to the Holy See.

The letter is written at a time when the Jacobite church is in a precarious position, not only because its members are constantly deserting to join the Catholic fold but also because of internal dissension. The principal element of internal discord had its origin in a dispute which has arisen between the Patriarch of Antioch and the Metropolitan of Malabar. Recourse to the mediatory offices of Lord Irwin, Viceroy of India, has not succeeded in composing these differences.

"Return to Rome" Continues
Meanwhile, the correspondent of Pides Service at Ernakulam reports the "move to Rome" continuing there unabated. Archbishop Ivanios has just made a direct appeal to those of his former fellow-churchmen who have not followed him into the Catholic Church and to the Mar Thoma schismatic sect in a five-day series of lectures at Pathanamthitta. Despite the fact that a fine of two dollars a head was imposed by some of the churches on any of their members who attended, the lectures proved a tremendous success.

One of the most affecting scenes occurred when Solemn High Mass was sung by Archbishop Ivanios. The non-Catholics, hearing their favorite hymns in the Catholic Church, took part in the congregational singing. They were likewise agreeably surprised to hear the former Jacobite Bishop using the same liturgy as before his submission to the Holy See. During the conferences a number of Jacobites were received into the Church.

Archbishop Ivanios, in his letter to the Patriarch, told him of the joy and happiness which his return to the Catholic Church has brought to him, but added that that joy could never be complete until his Beatitude and all the Jacobites forsake their schism and return to the unity of the True Church.

Nun, Angel to Prisoners, Honored

By M. Massiani
(Paris Correspondent, N. C. W. G. News Service)

Paris.—A certain number of French Sisters have received the insignia of chevaliers of the Legion of Honor, but it is very rare that a woman is accorded the rosette of an officer. This exceptional honor has just been paid to a religious, Sister Leonide, the eldest of the Sisters who exercise their ministry at St. Lazare, the women's prison of Paris.

Thirty-five Sisters of the Order of Marie-Joseph are in this service. Sister Leonide, their dean, entered there June 11, 1871. Since then she has never ceased to live among the prisoners. On the day of her entrance as a novice, as she reached the prison courtyard, she saw under its lone cherry tree a man's body bathed in blood. It was a day of disturbance during the revolutionary Commune. "The tree afterwards bore luscious red fruit," a chronicler writes. "The very sight of it made the young Sister faint."

Later Sister Leonide saw come into the prison some of the worst women criminals, and it so happens that during the war it was her duty to accompany women spies, such as the famous Mata-Hari, to the place of execution. It appears that an editor offered the good religious 200,000 francs for her memoirs. Sister Leonide refused. She is opposed to any mention of her modest personality.

It is of interest to know that the Sisters of St. Lazare are lodged in cells exactly like those used for the prisoners.

New Church at Miller, Ind., To Be Dedicated May 10

The new St. Mary of the Lake church, Miller, Ind., is to be dedicated by the Right Reverend Bishop on Sunday, May 10th, at 10:00 a. m. The ceremony will be followed by Solemn High Mass in the presence of the Bishop, celebrated by the pastor, the Rev. F. X. Guerra. Father Guerra

Rev. F. X. Guerra, Pastor

will be assisted by the Rev. H. Joseph Conway, chaplain of Mercy Hospital, Gary, as deacon, and the Rev. Wilfred P. Mannion of St. Mary's, East Chicago, as sub-deacon. The Rev. Thomas Jansen of Holy Angels', and the Rev. Raphael Donnelly of St. Luke's, will be deacons of honor to the Bishop. The Rev. Joseph F. Nadolny will be master of ceremonies. Immediately after the ceremonies a dinner will be served by the ladies of the parish in Marquette Park pavilion.

The new church is 82x31 feet plus a 11x14 sacristy. It is built of brick veneer and has a seating capacity of 275. The edifice is constructed in old English style. A basement extending under the entire building offers facilities for boiler room, kitchen, rest rooms, check rooms and parish hall.

The parish property, which is 159 by 500 feet, was donated by the late James Aushro, Miller pioneer and a devout Catholic, some fifteen years ago. The present structure was designed by Vincent F. Fagan of South Bend and constructed at an approximate cost of \$13,000.

The present parish is the youngest in Gary, having been founded April 21, 1920, by a division of St. Luke's parish. Holy Mass was celebrated during July and August of the years 1926, 1927 and 1928 for the convenience of the summer residents and tourists under the supervision of Father Donnelly, pastor of St. Luke's and his assistants. The new church was occupied Sunday, February 22, 1931. There are forty-five families who are permanent residents mostly from Chicago and Gary, who come yearly to enjoy the lake breezes and the scenic beauty of the dunes.

Trustees of the new parish are: Leo Bryden, Joseph E. Cassidy, Thomas J. Hannon, Thomas A. Johnson and Michael E. Stach.

Beginning in January, 1930, East Gary, two and one-half miles away, was made a mission to the Miller parish.

PROPAGANDA FIDE COLLEGE'S GLORIES RECALLED BY RITES

Dedication of Splendid New Seat in Rome Has Special Interest for U. S. Catholics — Card. Mundelein's Part—History of the College.

By Mgr. Enrico Pucci
(Rome Correspondent, N. C. W. G. News Service)

Rome.—With the ceremonies held recently inaugurating the new seat of the Pontifical Urban College of Propaganda Fide a splendid new chapter is added to the glorious history of the College which already covers a period of more than three centuries. During those centuries the heroism of sanctity and martyrdom, the munificence of the Popes and the masterpieces of art have vied to render the institution illustrious.

American Catholics cannot but feel proud to know that a Cardinal from the United States, one of the comparatively new countries of the world, has played a leading role in establishing this new monument to the Faith, which, from the Janiculum, overlooks the Piazza San Pietro. George Cardinal Mundelein, Archbishop of Chicago, one of the most illustrious students of the college, it is who has hastened the erection of the new seat. It was this prelate who secured a loan of a million and a half dollars which was placed at the disposal of the Holy Father and then of the Congregation of Propaganda Fide, thus making the erection of the monument possible.

Card. Mundelein's Officials
Likewise, Cardinal Mundelein obtained from the Holy Father the permission to guarantee the restitution of the borrowed money in the course of twenty years through the annual revenue of the offerings for the Propagation of the Faith which are collected in the Archdiocese of Chicago. The American Cardinal was chosen to be celebrant of the Solemn Pontifical Mass preceding the inauguration of the College by Cardinal Pacelli, Papal Secretary of State and Legate of His Holiness Pope Pius XI.—Indeed, the date of the inauguration was deferred specially so that Cardinal Mundelein might be present.

The Palace of the Pontifical Urban College of Propaganda Fide stands on the brow of the Janiculum Hill, over the left side of the square. It is a monument which, although it cannot rival in size those great giants of architecture standing before it, in its sober and correct lines and in its whole ornamentation worthily follows the Berninian tradition. In the moral meaning it is perfectly at home in that marvelous center of the highest and holiest memories of Christianity.

This building is destined to hold the chosen who are taken from peoples where evangelization is still in its first development, and brought to Rome to be instructed near the Tomb of the first Apostle, then sent forth with the sublime mission of continuing the apostolate among their own people. Appropriately, it stands near

Confessions of 45 Deaf Mutes "Heard" On Printed Cards

St. Paul.—Confessions of some forty-five Catholics in the Archdiocese are "heard" by means of printed cards, containing lists of sins, on which they check off the offenses they have committed. The lists, passed to them in the confessional, then are returned to the priest, who reads it, writes his advice and passes it back.

"These forty-five," the Rev. Rudolph E. Nolan, Chancellor of the Archdiocese, explains, "are deaf mutes and this is the only means we have of 'hearing' their confessions. While these afflicted communicants are under my care, the Rev. Charles J. Keefe, assistant rector, and other priests also 'hear' their confessions in this manner."

In addition, Father Nolan also delivers sermons to his deaf-mute charges in the sign language, which he mastered for that express purpose.

Polish Hierarchy Sets Up Daily Press Service

Warsaw.—In Poland only 5% of the papers are hostile to the Church. These are owned by either socialists or freethinkers. The major part of the press is Catholic but the social and political policies of all these are not uniform. To supply the press with correct information on religious matters the Hierarchy has established a daily press bulletin to be issued in Polish, and a monthly bulletin to be issued in French, Italian, German and English.

The "KAP"—Polish Catholic Agency—will wage an energetic campaign against American propagandists who are seeking to establish different religious sects supported by American money.

CANADA ACADIANS END 860 MILE TOUR OF TOWNS IN SOUTH

Unveiling of Evangeline Shaft Features Itinerary — The Municipal Officials Join With Catholic Clergy — Laity to Extend Welcome

New Orleans, La.—Most of the 138 Acadians from the Maritime Provinces of Canada who journeyed south to make an 860-mile tour of Acadian towns in Louisiana and to attend the unveiling of a statue of Evangeline at St. Martinville, are en route to their homes after an itinerary marked by innumerable and enthusiastic welcomes, civic receptions and banquets.

The Acadians ended their tour, here, recently and following several celebrations in their honor the party broke up, some departing immediately for the homes in the north and others forming themselves into smaller groups for the purpose of seeing more of this city and environs.

Unveiling Feature
The feature of the tour was the unveiling of the Evangeline shaft at St. Martinville, which marks the traditional grave of Emmeline LeBlanc. Ten thousand persons attended the ceremonies at which the Rev. Damas LeBlanc, of St. Joseph University, Moncton, N. B., drew the cord that released the veil covering the Evangeline memorial. The unveiling was the climax to exercises in which

Dublin Congress Altar Cross To Tower 71 Feet

Dublin.—A specially-built outdoor altar, of novel construction and impressive design, will be used by the Papal Legate when he celebrates Pontifical High Mass in Phoenix Park during the International Eucharistic Congress next year. Plans for this notable structure have just been seen by the correspondent.

The framework of the structure is to be of strong steel, and there will be a magnificent baldachin, the cross of which will be 71 feet above the ground.

Extending out from each side of the altar in graceful sweeps will be colonnades 189 feet in length and taking in the loftiest part of the park plain.

The sides of the altar will be enclosed with glass, which, while not spoiling its open appearance, will give protection in the event of high winds.

Two generous offers just announced have greatly simplified the problems confronting the National Army authorities, who are giving full co-operation in planning for the camps which are expected to give shelter to 11,000 men during the Congress. The military authorities decided that it would be far better to have one or two large camps than a number of smaller ones, but the difficulty was to find proper sites. The Christian Brothers have now given permission for a camp to be established on the grounds of their industrial school at Artane, a short distance outside the city, where there will be accommodations for 7,500. Mr. Baggot, whose lands adjoin the Phoenix Park, also has granted permission for a camp to be erected on his property, where 4,000 can be cared for.

UNITY IS CONVENTION MOTIF OF CATHOLIC ALUMNI AT CHICAGO

Thirty-eight Colleges Represented at Three-Day Session—Education Leaders Attend—Catholic Action Is Championed at Meeting.

Chicago.—Numerous topics bearing on the relationship between alumni and college were discussed in the course of the three-day convention of the National Catholic Alumni Association which closed here recently. This was the first time that a convention of this organization has been held west of the Atlantic seaboard.

Thirty-eight of the fifty-two colleges were officially represented. In addition to the delegates, the presidents of nearly a score of Catholic colleges attended, having a geographical distribution from New York to Spokane and from New Orleans to St. Paul.

Unity Spirit Dominant
The convention was permeated with the spirit of unity so that alumni, thus united, might further advance the cause of Catholic education.

One of the most important decisions of the convention was to extend the work of the federation beyond its present regional organization by the appointment of sub-regional directors who will carry the message of the federation to the more isolated communities where there are Catholic alumni who up to this time have not been in touch with the work of the organization. This, it was pointed out, will serve to put Catholic alumni activity on a universal basis without detracting in any way from the spirit and individual loyalties of the local alumni groups.

The federation pledged itself to uphold the program of Catholic Action as outlined by the Pope, and to study international peace along Catholic lines. It was the consensus that there is no more important modern problem than that of international peace, but that the ideal can be realized only when educated men and women are conversant with the principles flowing from Catholic philosophy.

It was likewise decided that the Catholic alumni of the United States turn their attention to Latin America, with a view to cooperating in the promotion of Catholic Action in those lands.

Judge Edward S. Dore of New York City, founder of the federation and chairman of the board of trustees, was unable to be present, because it was necessary that he assume his new duties as a New York Supreme Court judge immediately. Among the resolutions adopted was one thanking Judge Dore for his work in bringing the federation to its present status and congratulating him upon the honor conferred upon him by the State of New York.

Five Colleges Are Hosts
Five Catholic colleges of the Chicago district acted as hosts. They were: the University of Notre Dame, Loyola University, Chicago; DePaul University, Chicago; Marquette University, Milwaukee; and St. Viator's College, Bourbonnais, Ill. With the exception of the Rev. Charles L. O'Donnell, C.S.C., president of the University of Notre Dame, who was unable to attend because of illness, the heads of these institutions attended all sessions of the convention and gave welcome to the delegates and guests at the presidents' reception Friday evening, the first social function of the convention.

Radio Broadcast Proposed
Both San Francisco and Buffalo expressed the desire to entertain the convention next year. This matter was referred to the executive committee for action in the course of the year. Other deferred business had reference to proposal for the establishment by the federation of a nationwide broadcasting hour. The convention pledged its encouragement to the present "Catholic Hour," sponsored by the National Council of Catholic Men, and to those broadcasts which are being made by Catholic colleges from their own stations.

The Rt. Rev. Edward F. Hoban, Bishop of Rockford, was celebrant of the pontifical solemn High Mass in the Cathedral of the Holy Name. The other ministers of the Mass were college presidents. The Very Rev. James W. Donahue, C.S.C., Superior General of the Congregation of the Holy Cross, preached the sermon, and pointed out the duty of the educated Catholic layman to set an example to the world and to exemplify his faith in a manner that will serve to counteract the current trend of materialism and atheism.

Bishop Hoban was likewise the principal clerical speaker at the banquet which brought the convention to a close. In his message he approved of the work of the federation as one of the most laudable activities in which the educated lay Catholic could participate. Other speakers were Quin O'Brien, of Chicago, and Warren Brown, a local newspaper writer who took the place on the program that was to have been filled by the late Knute K. Rockne.

Architect's Drawing of New Liverpool Cathedral

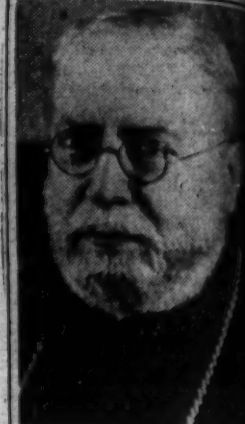

The architect's drawing of the \$15,000,000 Catholic Cathedral to be erected at Liverpool, England, has just become available in the United States. The Cathedral, as planned, will be second only to St. Peter's at Rome in size and will seat 12,000 people, all of whom will be within sight of the priest at the main altar. The dome will be larger than that of St. Paul's, London, and nearly as big as that of St. Peter's, Rome. Archbishop Downey of Liverpool, discussing the plans for the great edifice, declared that "we Catholics have built too small in England. We are the only growing body and we must build for posterity."

UNVEIL MONUMENT

Acadians from Canada and Louisiana assembled at the grave of Emmeline Labiche, known to the world as "Evageline," recently to unveil a monument in her honor. The unveiling was held at St. Martinville, La.
